KILLARA CROQUET

KILLARA CROQUET NEWS

CNSW AC BRONZE SINGLES

Our club played host to the CNSW AC Bronze Singles last month, much to the delight of the players in the tournament who were very pleased to spend three days at our Club. Both lawns were in excellent condition – (thank you Ku-Ring-Gai Council, and Ron who made the mowing and marking arrangements with KMC). Fay and her team of helpers ensured their tea, coffee and nibbles needs were very well catered for.

Although the field was very small (two entrants having advanced to Silver, and another succumbing to illness) the tournament provided a valuable introduction to competition play for three of the players. In addition to the experience of playing under tournament conditions, the competitors were fortunate to have umpires and referees who gave them invaluable feedback and advice.

Fidye Westgarth of Mosman (third from left) received the winner's badge and Joan Constable of Strathfield (fourth from left) the runner-up's certificate.

Thank you to all our members who gave up their Club playing days so that we could host the tournament.

NORTHSIDE FRIENDLIES PLAQUE

In the third round Killara played Epping (at Epping). The Silver-Bronze Doubles and the Silver Singles went to Epping, and the two Bronze Singles to Killara. Epping won the round, scoring 51 hoops to Killara's 42.

DIARY DATES

SOCIAL NIGHT –
7th June, 6.00pm

Add your name to the Attendance List on the whiteboard AND watch your emails for details

EXECUTIVE MEETING –
29th May, 1.00pm

KILLARA CROQUET CLUB NEWSLETTER MAY 2019

KILLARA CROQUET

COME AND TRY DAY – SUNDAY 5th MAY

The Club's drive to attract new members has taken several pathways. You've all seen 'Ron's Banners' which are put up each time there are players on the lawns, together with perspex boxes containing information and contact details. Fay has put notices on Community Noticeboards, and in libraries and executed a campaign to have items put into the North Shore Times. To gain the attention of the soccer hordes (especially grandparents) which frequent Regimental Park on Saturday mornings, during their season, an Information Table with brochures, flyers, contact details, was manned for several Saturdays. A Come and Try Day was planned as the culmination and centrepiece of the drive.

No-one anticipated the remarkable success of the day. Already there are six of those who attended who have had their first lesson with Fay. This outcome is a tribute to all those who contributed to showing the visitors what a great sport croquet is.

Even the weather helped when it forced everyone into the clubhouse where the visitors could experience the warmth and friendship club members enjoy.

HELP WANTED

Your help is needed to make sure this Newsletter includes all the croquet news which Killara Croquet Club generates.

Please tell me about any event in which you, or any other member are playing. Whether or not you include the score or the placing is totally up to you.

It would also be good to know of anyone who does something interesting in a club game e.g. making their first jump shot, or a spectacular roll. Even attempts which turn out disastrously may have a humorous side which could make them newsworthy.

Photographs would be great.
