

KILLARA CROQUET CLUB NEWSLETTER DECEMBER 2019

KILLARA CROQUET

With Santa about to land his sleigh on the roof this will be a very brief Newsletter.

Those of us who were able to attend the Christmas Party on Saturday 14th really enjoyed ourselves – the Kris Kringle provided the usual rounds of ‘oohs’ ‘aahs’ ‘what is it?’ together with much swapping, mostly to create confusion and some chaos.

The dinner which followed looked almost too good to eat when it was set out, and proved to taste just as delicious as it appeared. The Social and Catering Committees really excelled themselves.

For those who couldn't be there to witness the Awards Presentations the winners and runners-up for 2019 are:-

KILLARA CROQUET CLUB NEWSLETTER DECEMBER 2019

KILLARA CROQUET

LAWNS

Ku-Ring Gai Council is doing its biennial renovation of Lawn 2, which means that lawn is unavailable for play until mid-January (at the earliest).

You'll be advised as soon as it's ready for use.

Lawn 1 needs to be treated very gently while it recovers from its recent setback when the watering system was inadvertently switched off.

Both lawns will benefit from your consideration during this very hot and very dry time.

*May your Christmas be a very happy time
Enjoy being with those you love
Stay safe during the holiday season and return ready for
another wonderful year of croquet*
